

ALOZIE, ONYEDIKACHI HENRY

Virtual Assistant | AI Implementation Strategist | Project Coordinator

Lagos, Nigeria | +234 808 145 2065, +234 902 645 0406 | henalodigital@gmail.com | [linkedin.com/in/henalodigital](https://www.linkedin.com/in/henalodigital)

PROFESSIONAL PROFILE

Results-driven Virtual Assistant and AI Implementation Strategist with a strong foundation in digital operations, front-end development, and business analysis. Highly proficient in leveraging versatile artificial intelligence tools — including ChatGPT, Gemini, Microsoft 365 (M365), and Copilot — to automate complex workflows, streamline administrative processes, design dynamic web environments, and scale office productivity. Experienced in providing comprehensive executive virtual assistance including calendar management, inbox triage, CRM system administration, and spreadsheet maintenance. Skilled at coordinating technical training programs, managing complex stakeholder communications, and leading high-profile technology summits. Recognized for a hands-on approach to problem-solving, delivering rapid, end-to-end digital solutions — from initial UI/UX design to live deployment.

CORE COMPETENCIES

- Virtual Assistance & Remote Executive Support
- Calendar, Inbox & CRM Management
- AI-Assisted Workflow Automation

- Business Analysis & Digital Workflows
- Time Management & Multi-Tasking

PROFESSIONAL EXPERIENCE

Freelance Digital Consultant / Founder | Henalo Digital Enterprise (Nov 2025 – Present)

- Develop and deploy professional portfolio websites and digital landing pages for industry clients and executives, managing the full development lifecycle from AI-assisted design to live hosting.
- Provide comprehensive virtual assistant services including executive calendar management, inbox triage, CRM updates, and spreadsheet maintenance for remote clients across multiple industries.
- Leverage AI tools including ChatGPT, Gemini, and Microsoft 365 (M365) Copilot for rapid administrative scaling, high-quality content generation, and seamless digital project execution.
- Optimize executive CVs, branding documents, and professional portfolios, successfully helping clients secure actionable career results and improve market visibility.

Training Support Staff | Hommaston Limited, Lagos (Jan 2026 – Present)

- Conducted a comprehensive department-by-department AI needs assessment for a team of 23 staff members to develop a 90-day strategic rollout plan for digital efficiency using ChatGPT and M365 Copilot.
- Coordinate executive schedules, calendar operations, meeting logistics, and structured digital filing systems to guarantee friction-free daily operations.
- Handle inbox management and coordinate complex communication between cross-functional teams, clients, and training participants to ensure smooth service delivery and seamless onboarding.
- Maintain accurate CRM records, operational databases, and training attendance metrics, ensuring complete quality assurance and data integrity.

Project Support Intern — NCDMB Project 350 Lead | Hommaston Limited, Lagos (Aug 2025 – Dec 2025)

- Served as the program lead in Lagos for the national "NCDMB Project 350," ensuring seamless execution, logistical coordination, and stakeholder alignment.
- Managed complex executive schedules, participant coordination, and multi-stakeholder communication across corporate executives and trainees.
- Maintained organized, data-driven records and tracked participant milestones to measure and report on program effectiveness.
- Awarded "Most Outstanding Intern (2025)" for exceptional operational support and issue resolution during critical training sessions.

Training Intern | Hommaston Limited, Lagos (Sept 2024 – Dec 2024)

- Supported daily administrative operations and provided rapid response to participant inquiries during early training cohorts.
- Assisted senior training coordinators with digital documentation, training materials preparation, and the smooth delivery of organizational learning objectives.

Sales Branch Manager | Great Lots Nigeria Limited (Sept 2019 – June 2021)

- Supervised full-cycle sales operations and coordinated branch staff, successfully managing a branch that generated over NGN 10,000,000 in revenue.
- Managed escalated customer interactions and implemented robust complaint resolution strategies, ensuring high customer satisfaction and retention.
- Maintained comprehensive sales databases, transaction logs, and monitored complex inventory levels to guarantee optimal branch performance.

Salesperson | Topguide Electrical Company (May 2017 – Jan 2018)

- Assisted customers in selecting products, explained technical specifications, and provided expert support during purchase decisions.
- Handled customer inquiries professionally and ensured positive service experiences, contributing directly to targeted branch sales.

KEY TECHNICAL & ACADEMIC PROJECTS

Science Tech Summit (STS) Media Lead (2023 – 2026)

- Developed and executed cross-channel media strategies that successfully drove event growth, scaling audience engagement from 500+ participants in the inaugural edition to over 1,500+ attendees by the fourth consecutive technology summit.

Digital Tax Workflow Automation

- Created a comprehensive digital tax workflow and process map (BPMN) with an assigned team as part of a rigorous group assignment for a Business Analytics certification.

"Life After School" Program (June 2026)

- Served on the organizing team to design, coordinate, and execute a high-impact university-wide career preparation program equipping graduating students with workplace readiness tools.

Educational Planning in Tertiary Institutions

- Developed a statistical framework applying Moving Average methods for accurate student enrollment forecasting.

LEADERSHIP & COMMUNITY ENGAGEMENT

Special Adviser — Media & Publicity | NASS, LASUED (2024 – 2026)

- Oversaw comprehensive digital communication strategies, coordinating high-impact publicity efforts and digital engagement for association initiatives through the completion of the administrative term.

Public Relations Officer (PRO) | NASS, LASUED (2022 – 2024)

- Managed critical communication channels between the association and its members, building and maintaining professional relationships with external stakeholders and partners.

EDUCATION

- Bachelor of Science (B.Sc.) – Business Administration | University of the People (Online) | In Progress
- Bachelor of Science (B.Sc.) – Statistics | Lagos State University of Education (LASUED) | Completed
